

Dear Reader,

Colonel Alexander Doniphan was a friend of the LDS church, He defied Governor Bogg's order to exterminate the LDS inside the boundaries of the State of Missouri in 1838 and he arrested Prophet Joseph Smith and jailed him in Liberty, Missouri rather than Kill him as his orders required.

Few of us know what happened to Colonel after that incident. The following nearly 700 page book reflects his service to the United States during the Mexican/American war during the years of 1846 and 1847. YES INDEED; He was propelled into becoming one of our nation's greatest warriors.

I hope you enjoy this as much as I did.
